11/22/2016	107	** TEXT ONLY ORDER ** The court is in receipt of defendant Polk County's motion to consolidate <i>J.K.J. v. Polk County</i> , No. 15-cv-428, and <i>M.J.J. v. Polk County</i> , No. 15-cv-433. ('428 dkt. # 101 ; '433 dkt. #102.) The plaintiff in each case and co-defendant Darryl Christensen have indicated that they do not oppose consolidation. The court agrees with defendant Polk County that pursuant to Federal Rule of Civil Procedure 42(a), consolidation of the two cases is proper and would further judicial efficiency. As such the motion is GRANTED. The pretrial deadlines and trial date of January 30, 2017, set in the '433 case will govern this consolidated trial. ('433 dkt. #15.) The parties are further directed to file all pre-trial submissions in the '428 docket. In filing their response to the motion to consolidate, plaintiffs also filed a motion to bifurcate liability and damages. ('428 dkt. # 105 ; '433 dkt. #106.) As described in the pretrial conference order, these cases were both set for a bifurcated trial, as is the court's practice. Accordingly, plaintiffs' motion for bifurcation is DENIED AS MOOT. Signed by District Judge William M. Conley on 11/22/2016. (kwf) (Entered: 11/22/2016)
11/28/2016	108	ORDER granting (30 in case 3:15-cv-00428-wmc, 31 in case 3:15-cv-00433-wmc) Motion for Summary Judgment by Intervenor Plaintiff Wisconsin County Mutual Insurance Corporation. 11/28/2016	109	<p>** TEXT ONLY ORDER **</p> <p>These two recently consolidated cases are now set for a jury trial, commencing January 30, 2017. The preliminary pretrial conference order originally set the motion <i>in limine</i> and Rule 26(a)(3) disclosure deadlines for December 5, 2016, now well in advance of the trial, even taking into account the upcoming holidays. Accordingly, the court will amend the preliminary pretrial conference order as follows: (1) Rule 26(a)(3) disclosures and all motions <i>in limine</i> are now due on or before December 19, 2016; and (2) responses are now due on or before January 13, 2017. The court also notes that the final pretrial conference was originally set for a telephonic conference, which is not the court's usual practice. Accordingly, while the parties themselves need not be present, the court expects that trial counsel for all parties will be present <i>in person</i> for that conference. Signed by District Judge William M. Conley on 11/28/2016. Associated Cases: 3:15-cv-00428-wmc, 3:15-cv-00433-wmc. (arw) Modified on 11/29/2016. (lak) (Entered: 11/28/2016)</p>

01/11/2017	166	** TEXT ONLY ORDER ** Plaintiffs' motion for issuance of writ of habeas corpus testificandum (dkt. # 131) is GRANTED. In addition to requiring Darryl L. Christensen to be present at trial to testify, in light of his status as a defendant, he will also be permitted the opportunity to participate in the final pretrial conference, scheduled for January 24, 2017, by telephone. Consistent with my letter to Mr. Christensen today, counsel for the parties are also strongly encouraged to confer with each other and Mr. Christensen to reach an understanding as to his role in these lawsuits through trial, a subject that will be taken up at the final pretrial conference regardless. Accordingly, the clerk of court is directed to arrange for his participation by telephone at the final pretrial conference on January 24, 2017, and to issue a writ for his appearance on the first day of trial, commencing January 30, 2017. Signed by District Judge William M. Conley on 1/11/2017. (jef),(ps) (Entered: 01/11/2017)

01/13/2017	170	** TEXT ONLY ORDER ** Because of confusion over whether Darryl L. Christensen was currently represented by counsel and would remain so through trial, the court held two <i>ex parte</i> conferences today: the first, with Christensen and his counsel Attorney Hall; and the second, with Attorneys Hall & Mills and counsel for the insurer and intervenor plaintiff Wisconsin County Mutual Insurance Corporation ("WCMIC"), Attorney Lori Lubinsky. Consistent with those conversations, (1) the court formally deems Christensen to have joined in plaintiffs' opposition to WCMIC's motion for summary judgment; and (2) while the final decision to file a notice of appeal from the judgment entered pursuant to Rule 54(b) in favor of WCMIC is obviously Christensen's, the court will require his current counsel to continue to represent him through the trial of this matter. 02/09/2017	254	** TEXT ONLY ORDER ** The court is in receipt of plaintiffs' motion for clarification of the court's 2/3/17 text order regarding briefing of attorneys' fees and costs (dkt. # 253), which is GRANTED as follows: 1. In light of the jury verdict, the court has already concluded that an award of reasonable attorneys' fees and costs under 42 U.S.C. § 1988(b) was appropriate. As such, plaintiffs' counsel need only submit their contingency fee agreements, time records, any invoices, and support for their hourly rates. 2. Plaintiffs' counsel may redact any confidential or privileged information contained in those records, but should do so in a manner that makes any redactions obvious (e.g., black out of use of language identifying the gaps as such). 3. Of course, defendants are free to oppose plaintiffs' legal entitlement to fees generally, as well as challenge the reasonableness of their fee request. If the former, the court may allow plaintiffs an opportunity to briefly reply, if necessary. Signed by District Judge William M. Conley on 2/9/2017.
